## What is

DIGITAL ENGRAVING,  
ULTRA ENGRAVING<sup>®</sup>,  
& COLOUR IMAGING?

- 1 DIGITAL ENGRAVING is our traditional high quality engraving producing a mystical holographic effect.
- 2 ULTRA ENGRAVING<sup>®</sup> is our newly developed system whereby the image produced is of antique (grayscale) photographic quality, not holographic.
- 3 COLOUR IMAGING is the same as Ultra Engraving<sup>®</sup> but in full vibrant colour.

*Ultra Engraving<sup>®</sup> & Colour Imaging Products have a special scratch and tarnish resistant treatment for extra protection.*

## Digital Engraving<sup>®</sup>

THE ENGRAVING SYSTEM ALLOWS TO ACHIEVE THREE DEMENTIONAL FULLY DETAILED EFFECT

## Ultra Imaging<sup>®</sup>

THIS NEWLY DEVELOPED SYSTEM PROVIDES A STUNNING MONOTONE IMAGE OF THE HIGHEST QUALITY. THE IMAGE IS BRIGHTER AND CLEARLY VISIBLE AT ALL ANGLES

## Colour Imaging<sup>®</sup>

### HOW TO ORDER YOUR OWN PHOTO IMAGES PERSONAL JEWELLERY

- 1 Take your photograph to your local retailer (name and address below). Remember, a quality photograph can also be obtained from a simple snap or a magazine picture. Original drawings or symbols can be reproduced with equal accuracy (for colour images use colour photos only).
- 2 Decide on the shape and size and whether you want gold or silver. Ask about gold or silver chains and presentation boxes.
- 3 The retailer will give you details of the complete price, with no hidden extras and arrange collection details with you.

#### IMPORTANT!

Your photograph will not be disfigured or harmed in any way and will be returned to you with your pendant! Bring in your photograph, ask for further details and order your own personal Photo-Images jewellery
